2. As you are a first time user, click on **Register Now** link for registering yourself as a user.

The screenshot displays the TCS iON Digital Learning Hub interface. A 'Login' modal is open, featuring input fields for 'Login ID', 'Password', and 'Guest User ID'. A 'Remember Me' checkbox is present below the password field. An 'OR' separator is placed between the password and guest user ID fields. Below the guest user ID field is a 'Login' button and a 'Forgot Password' link. To the right of the login fields, there are three bullet points: 'Our teachers know what skills are needed. Because they work with industry all the time and know what is needed.', 'You'll work on hands-on projects. Not just watch lectures.', and 'You'll get feedback from experts.' Below these points is a 'New User?' link and a 'Register Now' button. At the bottom of the modal, there are social media links for Facebook, Twitter, Google Account, and iON. The background shows the NATA 2018 page with the CoA logo and navigation links.

3. The User Account Registration window is displayed where you will have to enter your basic details. Sample values have been displayed for your understanding.
